OBJ CEO OF THE YEAR

Congratulations to Chris Jaskiewicz, CEO of ICON Park who was recognized and honored this week as a CEO of the Year for 2021 by the Orlando Business Journal!

MEET THE SILVER PARTNER
Hobart has been in business since 1897.

Fun Fact:
Hobart originally began as an electric motors manufacturing company and the first thing they did was attaching motors to hand crank operated machines. Operations that relied on meat choppers, mixers, peanut butter machines, etc; could now be more productive and profitable. Two generations of Hobart equipment can be found across the country and are still in operation.

THANK YOU FOR YOUR DEDICATION TO CFHLA, HOBERT!
