\$1,000,000

Steve Dobbins

of

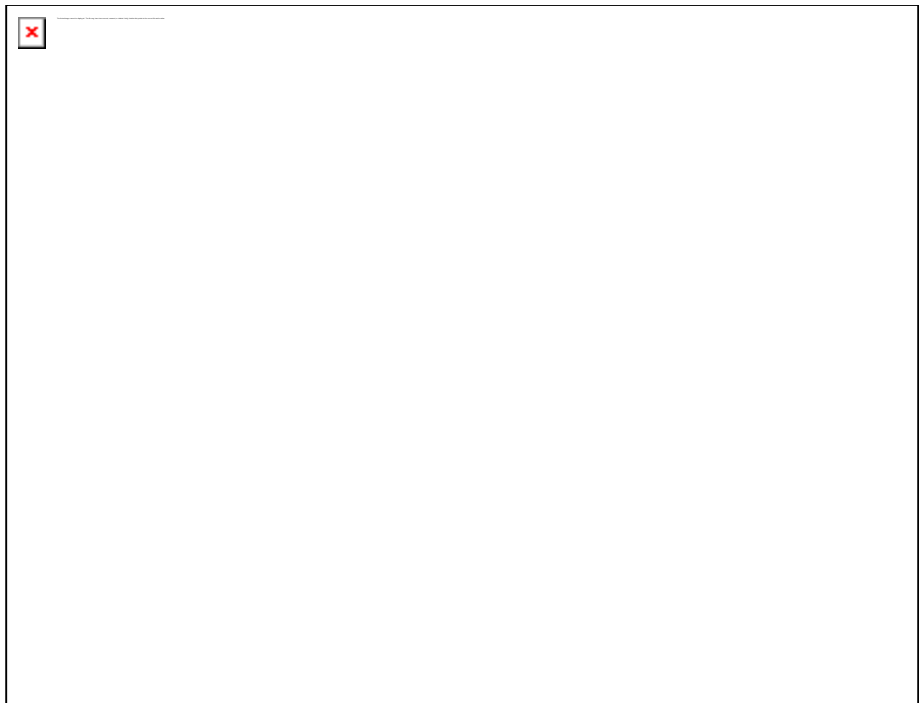

Harper Building Systems

sent CFHLA a follow up after the **HEAT Tradeshow**
which took place last Tuesday, August 22.

"I wanted to express my gratitude for the fantastic job you and your entire staff did on the recent HEAT Tradeshow. As a long time member, we typically have a booth every year and always have a great return on our investment. However, this year in particular resulted in a great deal of "**Members doing business with Members**". Even though the event was just last week, the requests for meetings and follow up work with the Hoteliers for their HVACR and Energy Systems will translate into over **\$1,000,000.00** in revenue for our company! That ROI cannot be imagined with other organizations!

Again, thank you for the superb job you guys did; and continue to do for all of us as members.

Regards,
Steve"
