MEET THE SILVER PARTNER

Hotelier is apart of PureStar and has been in business for over 12 years

Fun Fact:
The first washing machine was designed by H. Sidgier of England in
1782 and was quickly copied by many other inventors for years to come. The first mass-produced electric washing machine was developed in 1908 and named ‘Thor.’

### 5 BEST PRACTICES

Earlier this week, CFHLA sent out a COVID-19 Member Survey. One of the questions asked Members to provide one example of a **COVID-19 Best Practice** that your business has implemented successfully.

Below, please find **5 COVID-19 "Best Practices"** brought to you by CFHLA Members:

- Staggered starts and small crew sizes
- Reconfiguring our office to encourage increased spacing between employees and work stations
- Social distancing signs for customers on elevators
  - Daily screening of all employees
  - HVAC cleanup technology to kill bacteria and make the environment safe
